

## Urine Out

### Urine Stain & Odour Neutraliser

---

Urine Out is a unique spotting solution for high performance removal of urine stains and the associated odours. This formulation contains stabilized hydrogen peroxide for powerful urine crystal & stain removal. Use Urine Out where other treatments have failed. Some older, stubborn urine stains will only respond to the powerful Hydrogen Peroxide neutralization treatment.

#### BENEFITS

- **Stain Removal** – Urine Out employs the power of Hydrogen Peroxide to neutralize the toughest urine and pet stains. It will also remove many colour stains such as wine and cordial.
- **Odour Removal** – The hydrogen peroxide in Urine Out provides powerful oxidation of bacteria and odour causing germs.
- **Non Residual** – Urine Out leaves absolutely no residues behind and does not need to be rinsed.
- **Coloursafe** – Urine Out is safe for use on colourfast fabrics and carpets.
- **Fibre Safe** – Urine Out is safe for use on natural and synthetic fibres, however fine fabrics must be pre-tested for fibre and colour stability before use.

#### Note:

Urine Out is sensitive to heat and light. Store out of direct sunlight and avoid storing it in your van for lengthy periods. Store the Urine Out inside and only store a small bottle in the van. Replace this at least one per month.

#### DIRECTIONS for USE

Always pre-test in an inconspicuous location for substrate sensitivity to chemicals.

#### Application:

1. Remove by steam extraction as much of the urine spill as possible, doing extra dry vacuum strokes.
2. Apply Urine Out undiluted onto the affected area.
3. Agitate solution using a carpet rake or upholstery cleaning brush.
4. Some stains will respond within 5 to 10 minutes whilst others may require 2 – 4 hours. Some stubborn urine stains may require repeat treatment.
5. No rinse needed. Apply it and leave it, Urine Out will do the rest.
