

# THINK *OUTSIDE* THE BOX!

Tired of those unreliable, hard to transport and poor-performing "box extractors"? Move up to the **high performance, superior quality and mobility** of the Versaclean Extractor.

## FEATURES /////

- » **COMPACT.** Smaller footprint than leading competitors – only 50W × 100H × 81D cm.
- » **BEST PERFORMANCE, LOWER AMP DRAW.** Optimizes CFM for better recovery and lower-amp operation
- » **LONG-LASTING RELIABILITY.** Uses best vac motor for better reliability and longevity.
- » **QUIET WITH SAFETY FEATURES.** Noise suppressor and housing design significantly reduce sound levels. Includes locking casters.

## CONVENIENT & SAFE

## EASY MAINTENANCE

Wand, hoses and other cleaning tools sold separately.

## FEATURES

<b>P 500H</b> 78-004	500 PSI adjustable. Pressure gauge.
